

Sierra Club Solar Partnership

Solar Winds is pleased to announce that they have been selected as a provider in Michigan to be a Solar Installer of choice for the Sierra Club of Michigan.

As a Sierra Club Member using Solar Winds Power Systems to install your solar project you will benefit by:

- **Using a "vetted" solar installer who is totally qualified and experience to do your job**
- **Donating to the Sierra Club**
- **Receiving a discounted rate for your solar install**

Call 616 635-7855 or 269 664-8000
for a quote and more details on how
the program works
